### PROFILE SUMMARY

I am a student majoring in biology who is pursuing a bachelor's degree at the State University of Semarang. Being a student is not enough just to study in the classroom, this is what underlies me to be active in many activities both on and off campus, this is in line with my high enthusiasm for learning in various aspects. Because you need to know that any place is a library and whoever you meet is a teacher

---

### EXPERIENCE

#### Participants of the Teaching Training at Ruangguru

Ruang Kerja, Ruang Guru

2021

Received an official teaching training certificate from the teacher's room with the theme of how to become a teacher with effective and structured delivery

#### Online tutor at Ruangguru

Indonesian, RuangGuru

2021

Teaching biology in junior high school, because the number of students I teach is quite large, I once had the opportunity to get priority access from the teacher's room

#### Voice over internship at Educator.id

Indonesian, Educator.id

It is a national tutoring platform, internship as a voice over staff for 3 months and the opportunity to have a dialogue with great people among students, one of which is the student president of Siliwangi University, UIN, etc.

2021

#### MBKM students in the Kampus Mengajar program, Kemdikbudristek

SMP Islam Sudirman Susukan

It is part of the learning and teaching activities in the basic education unit of the Merdeka Learning Campus Merdeka (MBKM) program which aims to provide opportunities for students to learn and develop themselves through activities outside the classroom.

2022

---
